

MAKE THE CONNECTION.

LIFESAVING SOCIETY TRAINING CENTRES & ACCREDITED FACILITIES

Make your facility a centre. A centre for excellence. A centre for lifeguards. A centre for instructors. A centre for coaches. A centre for training. A centre for leadership and development. A centre of experts in aquatic and lifesaving programming. A centre of safety for your community to enjoy. A Lifesaving Society Training Centre.

Connect with your community. Your community looks to Lifesaving Society Accredited Facilities & Training Centres for regional expertise and training. Lifesaving Society Training Centres foster community spirit by sustaining growth. Growth of families. Growth of individuals. Growth of staff competence and confidence.

The Lifesaving Advantage. Lifesaving Society Accredited Facilities & Training Centres enjoy benefits now and in the future. Opportunities include profiling and positioning through Society communications and promotions media; course and clinic listings in the new Lifesaving Society Program Guide; and much more!

The more you do, the more you get! The Society's new Training Centre System rewards you for your dedication to drowning prevention. Based on the courses and services you offer your community, your facility will be designated as an Accredited Facility, a Zone Training Centre, or a Provincial Training Centre. Each designation has unique benefits.

Be a Lifesaving Society Training Centre. Simply take a look at what your facility currently offers and complete the enclosed form and return it to the Lifesaving Society along with a current program brochure. The Lifesaving Society will notify you of your facility's current status and contact you to discuss your options for growth.

It's free! Apply to be a Lifesaving Society Training Centre or Accredited Facility today!

Note

Accredited Facility & Training Centre designations and criteria are subject to annual review and planning.

At the Lifesaving Society, assistance and support are always available. Our staff team will offer you expert knowledge only the Society can provide. For all of the latest Lifesaving Society information including training programs, safety management, Water Smart® education, lifesaving sport, equipment and product sales, and more, visit www.lifesaving.org.

CANADA'S LIFEGUARDING & WATER SAFETY EXPERT

Annually, 500,000 Canadians participate in our swimming and lifesaving training programs. Each year, we certify thousands of instructors who provide the leadership for our lifesaving and lifeguard training programs. Over 25,000 Canadians earn our Bronze Medallion each year. We set the standard for lifeguard training and certify Canada's National Lifeguards.

The Lifesaving Society establishes aquatic safety standards and consults on aquatic safety issues for the aquatic industry and governments. The Society offers a suite of services to help aquatic facility operators maintain and improve safe pool and waterfront

operations. We perform aquatic safety audits and serve as experts in legal cases involving aquatic safety issues.

The Society represents Canada internationally in the Royal Life Saving Society and the International Life Saving Federation. We are the governing body for lifesaving sport – a sport recognized by the International Olympic Committee and the Commonwealth Games Federation. Provincial and national championships showcase the professionalism of our lifeguards. National Lifesaving Teams represent Canada in international competitions.
