PROCLAMATION

National Drowning Prevention Week is an opportunity to focus community attention on water safety and drowning prevention. Year-round, Water Smart behavior is key to reducing the risk of drowning and water-related injury for all Canadians.

Whereas: Drowning is the second leading cause of preventable death for children under 10 years old;

Whereas: Swim survival skills are essential and The City of Calgary offers Lifesaving Society programs including Swim to Survive and Junior Lifesaving Club;

Whereas: Calgarians are reminded to always actively supervise children in and around water, and take precautions when participating in aquatic and boating activities.

On behalf of City Council and the citizens of Calgary, I hereby proclaim the week of July 19-25, 2020 as:

“NATIONAL DROWNING PREVENTION WEEK”
