The Lifesaving Society is Canada's Drowning Prevention Charity. The Society works to prevent drowning and water-related injury through its training programs, Water Smart® public education, water-incident research, aquatic safety management services, and lifesaving sport.

Annually, over 1,200,000 Canadian participate in the Society's swimming, lifesaving, lifeguard, and leadership training programs. The Society sets the standard for aquatic safety in Canada and certifies Canada's National Lifeguards.

The Society is an independent, charitable organization educating Canadian lifesavers since the first Lifesaving Society Bronze Medallion Award was earned in 1896.

The Society represents Canada internationally as an active member of the Royal Life Saving Society and the International Life Saving Federation. The Society is the Canadian governing body for lifesaving sport - a sport recognized by the International Olympic Committee and the Commonwealth Games Federation.

Water Smart®, Swim for Life, Swim to Survive, and Lifesaving Society are registered trademarks of the Royal Life Saving Society Canada. Trademarks other than those owned by the Lifesaving Society used in this document belong to the registered owners.

Our Guarantee

Service Commitment to You

The Lifesaving Society has a strong service record with a reputation for innovation and excellence. The Society stays connected to our affiliates by listening to needs and responding to requests for program support and product diversity. A full complement of administrative, programming, and technical support staff is just a phone call away. We are always ready to provide a comprehensive one-call-does-it-all system available to all of our members and affiliates.

Product Returns

Returns will be accepted for credit / refund, provided the purchased product has not been used and is the most current edition. Items must be returned within 30 days. Return items with a copy of the receipt or invoice.

Warranty

Products manufactured by the Lifesaving Society will be warranted by the Lifesaving Society for one year from the date of purchase for manufacturing defects. The Lifesaving Society does not assume responsibility for damage resulting from use, abuse, or normal wear and tear. Once the product has been used by the customer, the Lifesaving Society is no longer responsible for any damages due to normal wear and tear to the product.

The Lifesaving Society strives to find the best products for a reasonable price. Some of our products come with a supplier's warranty. If this applies, the Suppliers Warranty Guidelines will be delivered with the product, and these must be followed or the warranty will be void. The Lifesaving does not provide any additional warranty coverage for these products.

HOW TO FIT A LIFEJACKET

1 SIZE

Lifejackets are selected by weight and/or size. **Always check the label.**

READ THE LABEL

- ✓ Check the weight range (i.e. 30 – 60 lbs)
- ✓ Check the chest size (i.e. 30 – 52 inches)
- ✓ Check that it is Transport Canada approved
- ✓ Try it on. Does it fit? Steps 2 and 3 show how to fit the lifejacket correctly.

Lifejackets for infants and children have added features of a collar and leg strap.

2 FIT

ZIP

CLICK

PULL

Make sure all zippers, clips and straps are done up and tightened.

3 DOUBLE CHECK TO TEST, LIFT SHOULDERS

Make sure that the lifejacket does not slip over chin and ears. If there is more than 3 inches between the shoulders and the lifejacket, it is too big.

Now you're ready for the water!
