

MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to send greetings to the Lifesaving Society - Alberta and Northwest Territories Branch as you mark National Drowning Prevention Week 2019.

For more than 100 years, the Lifesaving Society has championed the cause of drowning prevention. The programs, products and services it provides help save lives and prevent injury. When we are empowered with knowledge and skills, we are free to lead active lives and safely enjoy the many recreation opportunities our country affords.

Best wishes to the members of the Lifesaving Society - Alberta and Northwest Territories Branch as you take this opportunity to draw our attention to water safety and the need to address drowning prevention. Thank you for your dedication and good work, and for making all our lives safer.

Hon Jason Kenney, Premier of Alberta
