Do anything, be anything, achieve everything.

To Whom It May Concern:

Camp Quality Canada is a volunteer-driven, non-profit charitable organization empowering kids with cancer across Canada. Our year-round programming and free week-long camps give kids with cancer the power to turn life's challenges into adventures. For one week, campers are no-longer defined by their cancer. At Camp Quality, they have the freedom to explore new activities, make friends, and gain memories that will last a lifetime.

We need your help to make this the best summer ever!

We need generous and passionate lifeguards who want to make a true difference in the lives of children affected by cancer. We are looking for lifeguards aged 18+ to volunteer for the whole camp week between August 11-16, 2019 OR for the day on all or either of August 13, 14 and 15, 2019. Please pass this volunteer opportunity on to your lifeguards, and help Camp Quality Alberta provide emotional support and uplifting experiences for children affected by cancer.
